You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Capt. Enge, Use of Force Staff, Nurse Gage? When? 2-13-2018  
 What was their response? Excessive Use of Force with injuries by Use of Force Staff.  
 What action was taken? Placed in a cell without receiving any proper medical attention.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

On 2-13-2018 during a Use of Force being operated against me due to me resisting  
corruption by Captain Enge and Officer B. Neal who stole a bunch of my property  
that I never got back and commanded officers on the Pod not to feed me which they  
did not, there was very excessive Use of Force used on me... MAR 07 2018

During the Use of force before the 5 Man Team actually came in the cell at  
12 Building A-Pod- 78cell at about 2:40pm, Captain Enge sprayed me with the  
chemical agents way too many times in a very short period time without taking  
proper breaks in between each spray... That made it impossible to follow any orders  
and I was being given contradicting orders also such as a Strip, which was impossible  
after all the chemical agents, Stand in the back of your cell, Untie door, also impossible  
after all the chemical agents, Get Out of the slot, submit to hand restraints, etc. ~ It  
was very confusing and inhumane. MAR 07 2018

Then, when the Use of Force Staff got the door open I was slammed to the  
ground face down and immediately was attacked by the first man in the cell who  
crammed his fingers in both of my eyes pressing very hard which busted blood vessels in my  
eyes---at that point I was totally blind~ then that same person who I could feel next to  
me proceeded to slam the right side of my head into the bottom of the steel toilet/sink  
over and over and over again spilling blood and causing extreme pain ~ at the same time  
someone else behind me twisted my right leg til it messed my knee up, someone was trying  
to break my thumbs, and the first Officer proceeded to punch me over and over and over  
in the back of my head real hard which smashed my forehead into the concrete repeatedly.  
During this time another officer was saying "stop resisting" repeatedly--- I never resisted at all.

Once they stopped illegally assaulting me and brought me out the cell, my right knee gave out on me as soon as I took a step down stairs. They had to carry me, put me on a stretcher and take off the pod. The Nurse evaluated me and released me back to security even with obvious wounds and me telling him my head, right knee, ribs, etc. were hurt badly. I had a hard time breathing from excessive chemical agents. Then, I got dropped on stairs by use of Force Staff going to 12 Building E-Pod 70 cell which furthered my injuries and once again the Nurse evaluated me and released me to security without proper medical care. I was placed in 12 Building E-Pod 70 cell. I was left in one part of boxers. I was in great pain - I could feel my ribs cracked, right knee popping and hurting, my head in great pain and bleeding, my arm cut, my hand "right" hurt, several injuries.

Action Requested to resolve your Complaint.

Office of Inspector General Investigation. Stop excessive uses of force. Give proper medical attention after Uses of Force.

*The Unit Grievance Investigators did not investigate this Grievance # 2018098095 at all because they claim that the Grievable time period has expired but that claim is simply not true.*

*I turned the Step 1 Grievance in on 3-5-2018... that is only 13 days on the time limit. They claim they got it on 3-7-2018... that is 15 days on the time limit. ~ In the "Offender Grievance Operations Manual" under Chapter IV, page 7 under "Screening Criteria" and under "Grievance time period has expired," there is a NOTE that quite clearly states: NOTE: When calculating the 15 day time limit, consideration should be given for the number of days grievances were not collected, such as holidays that fall during the workweek or weekends. Grievances received after that time may be returned to the offender unprocessed.*

*Considering that "NOTE" with its very clear instructions, my Grievance # 2018098095 was not expired until after 3-7-2018 and also there's a rule in the same section that states that Grievances will be accepted for review up to and including the first working day beyond the 15 day time limit. --- That would be 3-8-2018. ~ I was also off the Unit from 2-14-2018 til 2-21-2018 so I barely had time to study with the Law Library and prepare to write this Grievance Step 1 before time ran out. The case #20180156676 is very incorrect and doesn't make any sense at all. First of all, how could I not allow someone to secure the food tray slot when in fact there was already a Use Of Force being operated against me?? I did disrupt operations but not because of the food tray slot. No one was trying to secure a food tray slot and I never stepped them from securing it. No, the staff were not trying to secure any slot at all - they were doing a Use Of Force on me to get me out of 12 Building A-Pad 78 cell and take me to 12 Building E-Pad 70 cell and as far as a fire goes, that was done before all that and put out with a water hose.

So actually, although I did cause disruption of operations, I did not do what the case written by T. Stephens says I did at all nor was T. Stephens ever present for the fire nor did anyone try to secure a tray slot because of the ongoing Use of Force. That does not make any sense.

Also the disciplinary Captain did not contact the charging officer T. Stephens at all during the hearing whatsoever to investigate or to let me ask the charging officer any questions.

The case is written incorrectly and makes no sense at all. How can it make any sense when there was an ongoing Use Of Force? It don't at all. On top of that, I have not had a major case since February of 2016 so why do I lose

also be taken into account.

I need this Grievance # 2018098095 investigated properly. I need the Office of Inspector General to investigate this Grievance. I need excessive uses of Force to stop happening and proper medical attention to be given after U.Q.F.

On February 13th, 2018 prison officials & Staff on Michael Unit such as: Captain Jamadre L. Enge, Sgt. Cady Garner, Barbra C. Neal, Michael O. Costeel, Aguilar, Ian Davis, Jackson, Kimberlyn D. Thompson, Nurse Robert Gage, etc. et al. were directly involved in either stealing half my property, or assaulting & battering me with very excessive use of force that caused me serious injuries and/or both and the denial of any medical care for these injuries.

I filed Grievance # 2018098098 regarding the Theft of my property and Grievance # 2018098095 regarding the Excessive Use of Force / Denial of proper medical care/etc. on 3-5-2018. Grievance Investigators immediately obstructed Justice for these crimes against me by improperly screening Emergency Grievances by responding that the "Grievable time period has expired" ~ This was done against Federal & State Law and against BD-03.77 and against Administrative Directive 03.82 deliberately.

There is no time limit period for a complaint regarding crimes by Staff or Excessive Use of Force complaints and both of the fore-mentioned complaints were supposed to be processed and coordinated with the Office of Inspector General but that was not done on purpose and ever since February 13th 2018 up til now, all the Grievance Investigators on Michael Unit have been non stop using a Campaign of Harassment & Retaliation against me by very seriously violating my Protected Conduct of filing Grievances because I keep on trying to exercise my access to courts rights to get legal relief.

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

These involved Grievance Investigators in Grievance #2019026283 have violated my Protected Conduct of Filing Grievances. Grievance #2018151660 and #2018151545 never were resolved either and all my requested actions were ignored in all the related complaints. Nothing has been done about my Victims Rights being granted for the crimes against me on February 13th 2018 either. There is nothing redundant about a complaint that has not been resolved and is Emergency in nature regarding actual crimes by Prison Employees against me.

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Disciplinary Captain When? 2-27-2018  
 What was their response? Found Guilt without any proper investigation of facts  
 What action was taken? Excessive punishment / unclear as incomplete statement of what I said

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

The case #20180156676 is very incorrect and doesn't make any sense at all. First of all, how could I not allow someone to secure the food tray slot when in fact there was already a Use Of Force being operated against me? I did disrupt operations but not because of the food tray slot. No one was trying to secure a food tray slot and I never stepped them from securing it. No, the staff were not trying to secure any slot at all - they were doing a Use Of Force on me to get me out of 12 Building A-Pad 78 cell and take me to 12 Building E-Pad 70 cell and as far as a fire goes, that was done before all that and put out with a water hose.

So actually, although I did cause disruption of operations, I did not do what the case written by T. Stephens says I did at all nor was T. Stephens ever present for the fire nor did anyone try to secure a tray slot because of the ongoing Use of Force. That does not make any sense.

Also the disciplinary Captain did not contact the charging officer T. Stephens at all during the hearing whatsoever to investigate or to let me ask the charging officer any questions.

The case is written incorrectly and makes no sense at all. How can it make any sense when there was an ongoing Use Of Force? It don't at all. On top of that, I have not had a major case since February of 2016 so why do I lose

2 Line classes. That is excessive punishment for someone who has 2 years with no major cases at all.

Action Requested to resolve your Complaint.

Dismiss case #20180156676 since it is obviously incorrect due to the ongoing U.O.F. and/or give Line Class 1 back since I should've been 54 anyways.

Grievance Response:

Disciplinary case #20180156676 has been reviewed and no procedural errors were noted. There was sufficient evidence to support the finding of guilt. Punishment imposed was within established guidelines. This is a valid case. Tampering with a food tray slot and/or creating a disturbance will not be tolerated. No action is warranted.

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Captain Enge, J. / B. Neal "COTV" Property When? 2-13-2018What was their response? Tear my property up in a cell searchWhat action was taken? Stolen property / Impermissible Conduct

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

On 2-13-2018 before lunch time, Captain Enge and Officer B. Neal went into my cell and proceeded to literally tear my property up; throw it all over the cell and place a bunch of it in a sheet to hide it from the camera ~ after quite some time they finally came out of my cell 12A-78 cell with a chain bag full of books and magazines ~ and a large bulging sheet full of property.

Captain J. Enge said he was "taking some of my shit" because of an "alleged" fire that I did --- When I got put back in my cell by Sgt. Garner I looked around and noticed a whole bunch of missing property which I have never received any confiscation papers for at all and have not received any of my property back at all that they took.

On top of that Impermissible Conduct ~ Captain Enge also told the Officers on the pod not to feed me lunch which they did not. These are the reasons that led me into a Use Of Force at about 2:30pm.

Items missing that I am sure of: Radio-Clock CLTECH serial #09/13/03990 ~ Books: The Millionaire Mind, Awaken The Giant Within by Tony Robbins, Your Magic Power To Be Rich by Napoleon Hill, Biography of Benjamin Franklin, Biography of Bismark, German/English dictionary, 2 Spanish/English Dictionaries, 2 Stone Masonry Books, Laying Tile Book, Carpentry book, Reader's Digest "How To" book, Modern Magick by Donald M. Kraig, European History.

Chemistry Textbook, Magic Mountain, Grateful Dead Special Edition mag, Whole Story of  
magazines, Hardback Thesaurus, Uncle Jon's Bathroom Reader, Sudoku book, etc. MAR 07 2018 MAR 09 2018

Other Items missing: Gloves, Mirror, Multi Vitamins, 3/4 Jar of Black Bag Coffee,  
Spoon, Light Bulb, 2 pairs of Gym Shorts, Muscle shirt, Jar of Pomade Grease,  
Amer Fresh Shampoo, 2 Nail Clippers, Stack of Catalogs of Women, Personal  
Addresses, Pictures "about 15" of Women, etc. MAR 07 2018 MAR 09 2018

Also, after the Use of Force, my remaining property did not get inventoried  
until 2-18-2018 by Sgt. Burton and Lt. Alon 5 days later. Put in Property room 2-20-2018

Action Requested to resolve your Complaint.

I need all this stolen property returned to me  
immediately. I want no further harassment/retaliation by Captain Enge or B. Neal.

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). *I am dissatisfied with the response at Step 1 because...*

*Unit Grievance Investigators did not investigate this grievance at all. They tried to say Grievable time period has expired.*

*I turned this Grievance in on 3-5-2018. In the Offender Grievance Operations Manual under Chapter IV page 7 under: Screening Criteria and under: Grievance time period has expired ~ there is a Note that quite clearly states: NOTE: When calculating the 15 day time limit, consideration should be given for the number of days grievances were not collected, such as holidays that fall during the workweek or weekends. Grievances received after that time may be returned to the offender unprocessed.*

*Considering that NOTE with its very clear instructions, my Grievance was not expired until 3-7-2018 and also a rule that Grievances will be accepted for review up to and including the first working day beyond the 15 day time limit. --- That would be 3-8-2018.*

*I need this Grievance #2018098098 investigated. I need all my property returned to me immediately and no further harassment/retaliation from/by Captain J. Enge or Officer B. Neal.*

I was also off the Unit from 2-14-2018 til 2-21-2018, so I barely had time to study using the Law Library to prepare and write this Grievance in time in the first place so that should also be taken into account. But regardless, the NOTE clearly shows I was on time.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

Grievance Investigators deliberately ignored Federal & State Law and Administrative Directive - 03.82 to help cover up the crimes against me on February 13th 2018 where my property was stolen by Captain Jamadre Enge, Officer Barbra Neal, et al while acting under color of State law in order to obstruct justice and deny me my Victims' Rights regarding Grievance # 2018098098 which is and was an Emergency Grievance "like this one" that should have been coordinated with the Office of Inspector General as demanded by law. Grievance # 2018098098 is specifically about Theft of my property which is a crime plain & simple.

SEP 14 2018

SEP 14 2018

The Grievance Investigators involved with Grievance # 2018098098 very directly violated my Human & Federal Rights while acting under color of State law which also very greatly increases my punishment way above & beyond what the State Court sentenced me to on December 2nd 2005 specifically by conspiring et al against my rights to cover up crimes by prison staff who stole my property illegally, depriving me of my rights under color of law to cover up crimes against me on February 13th 2018, Falsifying Records to cover up crimes, Obstructing Justice by deliberately ignoring Federal & State Law and Administrative Directive 03.82 to incorrectly not process Grievance # 2018098098 as an Emergency Grievance and coordinate it with the Office of Inspector General as demanded by Law & TDCJ Policy, violating my due process rights and interfering illegally with my "Protected Conduct" of filing Grievances, retaliating against me & harassing me for using the Grievance Procedure to seek legal relief by trying to exercise my access to courts rights for the crimes against me on February 13th 2018, illegally denying me my Victims' Rights, torturing me with cruel & unusual punishment for allowing my

employees to steal over half my property illegally and refusing to investigate it when it was on security video cameras being done to begin with and never reimbursing me for anything at all and attempting to cover the crimes up and hiding it from the Office of Inspector General illegally and etc., victimizing me and causing me severe mental pain & suffering by allowing my property to be stolen without any legal justification and exacerbating my mental illness which violates my equal protection of the law rights by denying me justice illegally and refusing to return my stolen property, tampering with evidence of a serious crime against me to conceal a crime from law enforcement agencies such as the O.I.G. All of this was done with very evil intentions & evil motives deliberately.

It was not even processed according to Federal & State Law and BP-03.77 and AD-03.82. These Grievance Investigators "Margaret M. Price, Monte P. Nabors, and Melissa B. Vixth" et al Keep obstructing Justice pertaining to actual crimes committed against me on February 13th, 2018 and they go out of their way to completely violate my Protected Conduct of Filing Grievances to deny me access to courts and deny me my Victims Rights. It's crazy because every time these individuals do this to me, they are committing crimes against me that are punishable by Law and they know it but they still do it anyways? They are only making things worse for themselves while they torture me. I want full relief for all these crimes against me!

Grievance # 2018098048 & 2019003993 need to be processed as Emergency Grievances and investigated with the Office of Inspector General. The crimes against me on February 13th, 2018 up til now perpetrated by prison officials staff must be brought to the light and Justice served appropriately and I will not stop until I get full legal relief for every violation of my Human & Federal Rights and get all my Victims Rights granted immediately. I want Protection from all the Grievance Investigators here on Michael Unit who have committed so many crimes against me that it's literally insane!

Whatever Policy or Personal agenda being perpetrated or allowed by C.I.D. Director Larie Davis, Executive Director Bryan Collier, Warden Charles O. Meador, or Grievance Investigators Tommy L. Rainey & Brittani F. Rodriguez that is stopping Grievance #s 2018048098 & 2018151660 from being investigated properly and full relief given and the requested actions given, is not only void under Federal Law but also directly illegal and criminal and therefore directly violates my Human & Civil Rights!

My Human & Federal Rights are being violated by these individuals which also very greatly increases my punishment above & beyond what the State Court sentenced me to on December 2nd, 2005 specifically by conspiring against my rights, obstructing justice, depriving me of my rights under color of law, Cruel & Unusual punishment, violation my equal protection of the law rights, trying to deny me access to courts, violating due process of law rights, retaliating & harassing me for seeking legal relief, violating my "Protected Conduct" of filing Grievances, allowing criminal activities by prison staff to go unpunished, belling or crumpling my Grievance #2018151660 up before sending it back to me which is deliberately damaging a legal document, denying me my Victim's Rights, etc. while acting under color of State law which is all a major Abuse of Office and Official Oppression and is also very Deliberate Indifference & Gross Negligence and all of this is being done or has been done with evil intentions and

Regarding Grievance # 2018151660 which pertains to Grievance # 2018098098, of which is about prison officials & staff committing crimes against me. First of all, Unit Grievance Investigators Tammy L. Rainey & Brittoni F. Rodriguez deliberately refused to process an Emergency Grievance about a crime against me on February 13th, 2018 and they refused to investigate it with the Office of Inspector General but when I sent it to the Central Grievance Office they sent the Step 1 Grievance back to the Unit Grievance Office because it was not processed correctly. The Grievance Investigators got mad and balled my Step 1 Grievance up damaging it before it made its way into the hands of Warden Charles O. \*~ Emergency Grievance ~\*

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Officer Victor Y. Afan When? 5-8-2018

What was their response? Doesn't care... and I'm not getting shit...

What action was taken? Deliberately refused me recreation &amp; shower against my will...

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

This Officer is involved in the theft of my property between 2-13-2018 and 2-21-2018. His name is on related paperwork. And now he denies me recreation and showers and lies and says I verbally refused my recreation and showers. When I say I'm writing Grievances to file on him ~he says he doesn't care and I'm not getting shit...

I already do not feel safe on Michael Unit with staff who stole my property and deliberately seriously injured me on 2-13-2018. ---So when someone involved in violating my Rights is deliberately antagonizing me without provocation on my part it is placing me in danger of losing my life, liberty, or property.

I'm in fear of Victor Y. Afan and other staff who abused me and violated my Federal Rights between 2-13-2018 to 2-21-2018. I am being harassed and retaliated on by these individuals. I have notified Warden Carol Monroe and the Office of Inspector General about my concerns and even Brad Livingston and they are all showing deliberate indifference & gross negligence concerning my rights and desire for full relief and charges to be filed on staff who took illegal actions against me...

I am not safe in this environment around staff involved in violating my Federal Rights. I need full relief. I need to be transferred. I want charges filed on those who assaulted me on 2-13-2018 and on those who stole my property...

*\* - Copy Copied ~ \**  
 This issue is an Emergency issue that needs to be taken care of right away. I am not alright. I keep having nightmares about being abused by staff from abuses and major violations of my rights here at Michael Unit and Connally Unit and Jester IV where I was injured by staff many times altogether. I'm mad!  
 MAY 14 2018

Whatever T.D.C.J. Policies allowed by C.I.D. Director Lorie Davis & Executive Director Bryan Collier that caused this complaint to be mishandled to where it was not processed correctly or any true substantial relief given is void under Federal Law. Whatever personal agenda being perpetrated by Warden Charles O. Meador, Grievance Investigator Tammy L. Rainey, and Officer Victor Y. Afun that is causing or allowing major violations of my Federal Human Rights related to this complaint and illegal events against me on 2-13-2018 here on Michael Unit are most definitely against Federal Law and so it obviously needs to be fixed immediately for it to be in harmony with Federal Law & Human Rights.

My Civil & Human Rights are being violated by C.I.D. Director Lorie Davis, Executive Director Bryan Collier, Warden Charles O. Meador, Grievance Investigator Tammy L. Rainey, and Officer Victor Y. Afun while acting under color of state law for T.D.C.J. which also greatly increases my punishment above & beyond what the State Court sentenced me to on December 2nd 2005 which violates the 8th Amendment Prohibition against cruel and unusual punishment. These individuals have all conspired against my rights together in one way or another - it is a conspiracy against my rights under color of law. They specifically violated my rights by: denying me protection from staff who committed crimes against me on 2-13-2018, denying me my Victims Rights for criminal activities by staff from 2-13-2018 til now, denying me relief & access to courts, not giving me due process of law, →

violating my Protected Conduct of filing Grievances, creating & allowing policies that oppose Federal Law deliberately, violating my equal protection of the law rights, harassing/retaliating and terrorizing me for pursuing legal relief, leaving me in a situation where I am at risk of injury or some other irreparable harm deliberately, etc... This behavior by these individuals is a serious conspiracy that deprives me of my rights under color of law and is very deliberate indifference & gross negligence also.

A review of your Step I Grievance was conducted and the grievance was investigated in accordance with grievance procedures and you were appropriately advised at the Unit level. You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Captain Enge, J. / B. Neal "CO IV" Property When? 2-13-2018

What was their response? Tear my property up in a cell search

What action was taken? Stolen property / Impermissible Conduct

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

On 2-13-2018 before lunch time, Captain Enge and Officer B. Neal went into my cell and proceeded to literally tear my property up, throw it all over the cell and place a bunch of it in a sheet to hide it from the camera ~ after quite some time they finally came out of my cell 12A-78 cell with a chain bag full of books and magazines ~ and a large bulging sheet full of property.

Captain J. Enge said he was "taking some of my shit" because of an "alleged" fire that I did --- When I got put back in my cell by Sgt. Garner I looked around and noticed a whole bunch of missing property which I have never received any confiscation papers for at all and have not received any of my property back at all that they took.

On top of that Impermissible Conduct ~ Captain Enge also told the officers on the pod not to feed me lunch which they did not. These are the reasons that led me into a Use Of Force at about 2:30pm.

Items missing that I am sure of: Radio-Clock CLTECH serial #0713/03940 ~ Books: The Millionaire Mind, Awaken The Giant Within by Tony Robbins, Your Magic Power To Be Rich by Napoleon Hill, Biography of Benjamin Franklin, Biography of Bismark, German/English dictionary, 2 Spanish/English Dictionaries, 2 Stone Masonry Books, Laying Tile Book, Carpentry book, Reader's Digest "How To" book, Modern Magick by Donald M. Kraig, European History.

Chemistry Textbook, Magic Mountain, Grateful Dead Special Edition mag, Whole Story of  
magazines, Hardback Thesaurus, Uncle Jon's Bathroom Reader, Sudoku book, etc. MAR 07 2018 MAR 09 2018

Other Items missing: Gloves, Mirror, Multi Vitamins, 3/4 Jar of Black Bag Coffee,  
Spoon, Light Bulb, 2 pairs of Gym Shorts, Muscle shirt, Jar of Pomade Grease,  
Amer Fresh Shampoo, 2 Nail Clippers, Stack of Catalogs of Women, Personal  
Addresses, Pictures about 15" of Women, etc. MAR 07 2018 MAR 09 2018

Also, after the Use of Force, my remaining property did not get inventoried  
until 2-18-2018 by Sgt. Burton and Lt. Alon 5 days later. Put in Property room 2-20-2018

Action Requested to resolve your Complaint.

I need all this stolen property returned to me  
immediately. I want no further harassment/retaliation by Captain Enge or B. Neal.

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

Unit Grievance Investigators did not investigate this grievance at all. They tried to say Grievable time period has expired.

I turned this Grievance in on 3-5-2018. In the Offender Grievance Operations Manual under Chapter IV page 7 under: Screening Criteria and under: Grievance time period has expired ~ there is a Note that quite clearly states: NOTE: When calculating the 15 day time limit, consideration should be given for the number of days grievances were not collected, such as holidays that fall during the workweek or weekends. Grievances received after that time may be returned to the offender unprocessed.

Considering that NOTE with its very clear instructions, my Grievance was not expired until 3-7-2018 and also a rule that Grievances will be accepted for review up to and including the first working day beyond the 15 day time limit. --- That would be 3-8-2018.

I need this Grievance # 2018098098 investigated. I need all my property returned to me immediately and no further harassment/retaliation from/by Captain J. Enge or Officer B. Neal.

It took 22 days to get the first X-ray. It took 29 days to get the 2nd X-ray which showed my fractured rib. I did not skip my appointment on 2-23-2018--- no one ever came to get me and the Officers who were doing escorts were the same ones who injured me in the first place on 2-13-2018. I was asking about my appointment and I could not get help from on duty staff. I believe it was done deliberately.

**Grievance Response:**

A review of the medical grievance and documentation has been completed regarding your requests for x-rays following a use of force incident on 2/13/18.

An appellate review of the medical grievance and clinical record indicates the response from Step 1 is appropriate. You received x-rays on both your right knee and the ribs on your right side on 3/08/18. The findings were discussed with you on 4/10/18 when you were also issued a brace pass restriction renewal for 180 days for the right knee. You had been given a crutch for ten days on 2/14/18 which was later replaced with a cane for 90 days on 4/10/18.

Documentation indicates since the time you filed the Step 1 medical grievance the issue of requesting x-rays has been resolved and you have continued to be seen in accordance with Correctional Managed Health Care Policy E-37.1. If you have further health difficulties please submit a Sick Call Request (SCR). No further action from this office of the grievance process is warranted at this time.

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

I came back to Michael Unit on 2-21-2018 from SkyView Unit. I only had a small yellow envelope of property with me containing a ring, my ID card, my eye glasses, and a Religious Talisman/Amulet. Only the eye glasses and ID card were returned to me. ~ The ring and Religious Talisman/Amulet disappeared altogether. I saw Captain Enge and asked him where it went after it was given to 12 control by transport officers and he said he didn't have it. Days later on 2-27-2018 at around 9:00am or so on the way to disciplinary court, I came across Captain Enge in the hallway and spoke to him again and that time he said he gave it to Ms. Neal the Property Lady. "All the sudden" Phen?

I am not safe spiritually without my Religious Talisman/Amulet. They have no right to take or steal or touch or displace my Religious Item. It's very disrespectful and puts me in spiritual danger which leads to mental, physical and emotional danger. It's not easy at all to make and takes a lot of work on certain times of the year and of the month. It takes a very long time to get it right. I need it returned to me immediately. Grievance Response:

A review of your Step I Grievance was conducted and you were appropriately advised at the Unit level. No evidence was found to show that a ring was confiscated from you when you returned from the Skyview Unit on 2/21/18. It should also be noted that per the Chaplaincy manual and Property Policy, Talisman/amulet rings are not among the approved devotional items an offender is allowed to have. As legitimate ownership can not be proven for the alleged missing a property settlement will not be considered. No further action is warranted.

\* - SPECIALTY GRIEVANCE - \*

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? Grievance Investigators When? 4-18-2018What was their response? Submission in excess of 1 every 7 daysWhat action was taken? Grievances improperly screened in order to cover up illegal activity

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

First of all Grievance #2018048098 was improperly screened to cover up illegal activity by Grievance Investigators, then Grievance #2018119484 was also improperly screened to cover up the cover ups of illegal activities by prison staff mentioned in Grievance #2018048098. APR 20 2018

This is all illegal impermissible conducts and it all shows very deliberate indifference and gross negligence to me getting any relief for serious violations of my civil/human rights by blocking me from getting any relief through the Grievance System by improperly screening my Grievances intentionally to cover up illegal activities by prison staff and/or those acting under color of State law in Grievance #2018048098 and #2018119484. APR 20 2018

I can't understand this corruption nor will I tolerate it. I will simply keep building the case even stronger against it so that I can get full relief from the highest Authorities necessary in Federal Court/Criminal Court because these violations of my rights continue to injure me seriously by depriving me of my property that was stolen, humane treatment under the Constitution of the United States of America, and relief for continued major violations of my rights and of the State Law/Federal Law. APR 20 2018

These crimes against me need to be investigated and full relief given to me rightfully. Cover-ups of Crimes need to stop immediately. APR 20 2018

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

It neglected to resolve the issue or give any relief whatsoever.

Once again, whatever T.D.C.J. Policy that is stopping me from getting the action requested on the Step 1 or Personal Agendas of Grievances Investigators or Warden C. Meador II, is void since it opposes Federal Law according to Article VI of the United States Constitution with the "Supremacy Clause".

My Federal & Human Rights are being violated by the Executive Director of T.D.C.J., Warden Charles Meador, and the Grievance Investigators who are related to this Grievance and Grievance #s 2018098098 & 2018119484, which also greatly increases my punishment above & beyond what the State Court sentenced me to on December 2nd, 2005 which violates the 8th Amendment Prohibition against Cruel & Unusual Punishment. This is being done specifically by Conspiring Against my Rights, Depriving me of my Rights Under Color of State Law, Obstructing Justice, Denying me Access To Courts, Violating my Due Process Right, Not giving me Equal Protection of the Law, Interfering with my Protected Conduct of Filing Grievances & Getting Proper Resolutions, Harassing & Retaliating Against me for Pursuing Legal Relief/Activities, etc.

This is very deliberate Indifference & Gross Negligence and is also a Campaign of Harassment to stop me from pursuing legal relief with my Protected Conduct under Federal Law, and therefore is also Criminal Conduct & Criminal Offenses under Federal Law! These crimes against me need to stop immediately! These Grievances mentioned →

*in this Grievance along with this Grievance need to be processed, investigated, and relief given to me properly according to the Supreme Law of the Land...*

*I want my Human & Civil Rights fulfilled and violations of these Rights to stop immediately!*
